

# Post-Acute Care: Supporting Your Care Journey

PeaceHealth's Post-Acute Care Collaborative (PACC) is a group of Home Health Agencies and Skilled Nursing Facilities dedicated to mutual goals of quality improvement, outstanding patient experience, and reducing the total cost of care.

- **Home Health Agencies** are organizations that offers in-home care including skilled nursing and therapy services.
- **Skilled Nursing Facilities** are inpatient facilities where patients receive a high level of medical care by skilled nursing or therapy staff on a 24-hour basis.

You have a choice in selecting a post-acute care provider and are not limited to receiving care at PACC facilities. For more information about these facilities and others in your area, visit [medicare.gov/care-compare](https://www.medicare.gov/care-compare).
